Dear Sabrina:

I am writing to recommend the services of Southern Perfection Painting, Inc. We have been using Southern Perfection Painting Inc. for several of our interior & exterior projects for my company, Mooney Ent. Inc. Southern Perfection has completed at least 10 CVS Pharmacies, including drivethrough windows throughout the State of Georgia since 2016.

For the past five years we have always been totally 100% satisfied with their workmanship as well as the family friendly atmosphere of customer service I always get from Southern Perfection Painting, Inc. All of their work has been completed on time and I personally work with Sabrina and David and they have always ensured a level of cooperation that I find to be refreshing.

Their service always exceeded my expectations with the promptness of arriving on the job to the number of techs on site to get the job completed ahead of schedule. They do an excellent job and their rates are the best. I look forward to working with Southern Perfection Painting, Inc. again in the near future and am happy to recommend their services.

Sincerely,
