Dear Sabrina:

I am writing to recommend the services of Southern Perfection Painting, Inc. We have been using Southern Perfection Painting Inc. for several of our interior & exterior projects for my company, Mooney Ent. Inc. for the past five years and have always been totally 100% satisfied with their workmanship as well as the family friendly atmosphere of customer service I always get from Sabrina & David. Their service always exceeded my expectations with the promptness of arriving on the job to the number of techs on site to get the job completed ahead of schedule. They do an excellent job and their rates are the best.

I look forward to working with Southern Perfection Painting, Inc. again in the near future and am happy to recommend their services.

Sincerely,
