CAPABILITY STATEMENT

Southern Perfection Painting, Inc. was started in 1984 and has been in business for over 36 years in Georgia. For large commercial projects, we travel to Florida, South Carolina, Alabama and Tennessee.

Southern Perfection Painting, Inc.(SPPI) supports the Commercial Private and Public Sectors. Our target project size is small to mid-range Painting Services projects from \$5,000-\$500,000. In it's mission, SPPI prides itself on **quality, pricing, change order management, technology and automation** by providing:

- Tailored Needs Analysis from Inception to Implementation
- Corporate Level Project Management including Reporting
- Automation Analysis and Implementation
- "Hands On" Management by the Owners
- Minimal Or No Change Orders
- Crafted Implementation Strategy and Collaboration

DIFFERENTIATORS

- Implemented Automation via Web App to manage individual units from 2 levels of inspection to picture verification and invoicing.
- Project Reporting created and distributed regularly from documentation of color formulas to project signoff.
- Managed hundreds of change orders via automation for quick approval and submission.
- Analyzed and provided appropriate staffing on a daily and weekly basis to meet project timeline goals.
- Pivoted during pandemic to Collaboration of Teams, Video Conferencing, Email and Remote Support.
