Dear Sabrina,

Thank you for the recent completion of the full exterior prep and repainting of our Fairfield Inn in Alpharetta, Georgia. Your team's work was exemplary, and the project was completed on budget and well ahead of schedule.

Please accept this letter as my endorsement of Southern Perfection Painting, Inc as an outstanding business partner. Since my first calls with their firm, I have found the company to be world class. The communication and professionalism has been on another level and the work received is top quality. SPP has been fair, courteous, and above all, professional in every respect.

I look forward to the next opportunity I have to partner with Southern Perfection!

Sincerely,
